

**BALTIMORE CITY DEPARTMENT OF PLANNING
WOULD LIKE TO HEAR **WHAT YOU THINK** OF
THE NEW BALTIMORE CITY DRAFT ZONING CODE.**

This exciting achievement is the result of a two-year process aimed at maximizing public input, simplifying the zoning process, creating new tools to support and guide City investments, and preserving the unique character of Baltimore. The Baltimore City Zoning Code was last comprehensively updated over 40 years ago, and since then, the economic realities and design goals of the City have evolved, and so the 1971 Code no longer meets these needs.

PLEASE JOIN US

for a presentation with time for comments and questions on the new DRAFT Zoning Code. The presentation will be repeated at each meeting, so please attend the one that is most convenient for you.
